

Referral Process for The Herts Paediatric SARC service (13-17 years old)

In emergency situations, if the young person does not feel safe and is at risk of immediate harm, please dial 999.

Clinical and forensic advice can be sought from Mountain Healthcare Nurses.
Tel: **0330 223 0099**

Concerns that a young person 13-17 years old has been sexually assaulted or abused (acute or non-recent)
(Any acute medical needs should be prioritised)

Assess immediate safety issues e.g. domestic abuse, child protection, mental health: refer as necessary. Post coital contraception should be given and BBV screen including HIV PEP/Hep B should be considered before attending the SARC. Please encourage the client to speak to the SARC regarding securing their evidence, prior to any swabs being taken by sexual health.

The nature of the assault will determine the collection of certain forensic samples. The below timeframes are for guidance and should **ALWAYS** be discussed with a sexual offence examiner.

Vaginal Penetration – 7 days

Anal Penetration – 72 hours

Oral Penetration – 48 hours

Digital Penetration – 48 hours

Injuries can be documented when present.

Clothing, tampons, toothbrushes, etc. can all be saved to provide evidence.

Therapeutic needs **ALWAYS** come before forensic samples. Contact The Herts SARC, if in doubt on 0330 223 0099 during office hours (9 am – 9 pm) and out of hours (for advice only).

If there is no referral to SARC or the Young person does not consent, then professionals should ensure that access to medical care and relevant support services is facilitated.

A Young Person (13-17 years) can be seen at The Herts SARC (Monday – Sunday) (9 am – 9 pm) if in their best interests.
